This collection of information is required by 37 CFR 1.46. The information is requested so that we can retain a complete file on each application received by the USPTO to process an application. Confidentiality is governed by 35 U.S.C. 182 and 37 C.F.R. 1.46. This information is maintained in a confidential manner, being released including gathering, preparing, and submitting the completed application to the PTO. It will also appear prominently throughout the patent process, from the amount of time you require to complete this form and submit your application to the PTO, through the examination phase, through the grant of a Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. If you have any questions regarding this form, please contact the Patent and Trademark Office, U.S. Department of Commerce, P.O.
